

# IRA Charitable Distributions

MAKE YOUR IRA GIFT TO TRICKLE UP TODAY.

## Make your IRA gift to Trickle Up today

If you are age 70.5 or older, you can donate up to \$100,000 total per year directly from your IRA (\$200,000 for a couple with separate IRAs). These distributions count toward your Required Minimum Distribution and are not counted as part of your taxable income, effectively lowering your adjusted gross income.

You may make an IRA gift directly to Trickle Up, or contact your financial advisor about the best way to take advantage of this giving opportunity. Visit the [IRS website](#) and read about qualified charitable distributions for more information. Keep in mind that to enjoy the full tax benefit of giving through your IRA for the current year, gifts must be completed before December 31.

Please email Dave Rivera at [drivera@trickleup.org](mailto:drivera@trickleup.org) directly to inform us of your gift so we can thank you for your generosity.
